

SPOTLIGHT ON CULTURAL DANCE:

HAKA

Friday, December 10, 2021

3:30 p.m. – 4:30 p.m.

This webinar will introduce the history and origins of Haka Dance, explain its cultural significance, share several examples of its practice, demonstrate a haka dance, and suggest possible ways to incorporate into a dance or general education classroom. The webinar will be presented by Louisa Higgins, Arts Administrator and Callie Neal, Professional Dance Instructor.

Who Should Attend? TK-12 grade teachers

Callie "Jo Jo" Neal has been in love with the arts since childhood. Her family is full of musicians, some of who continue to tour today. Callie graduated from Ramona High School, a performing arts magnet, and went on to major in dance at the University of California, Riverside. While building Riverside Unified School District's first dance Career Technical Education (CTE) program, Callie also opened her own studio; Jo Jo's Dance.

While Callie loves the stage, her greatest admiration is how the arts teach us about history and culture. She is excited to continue her exploration of the arts and culture in South America, as a recipient of the Fulbright Distinguished Award in Teaching, 2021-2022, where she will study in Colombia.

Location: Virtual

Deadline: Thursday, December 9, 2021

Attendee Limit: 50

Registration Required: No Cost
