# Looking for Assistance Paying for Child Care Services?

Some families may be eligible for cost-assisted (subsidized) child care based on gross (before taxes) income and family size. See *Schedule of Income Ceilings* below to determine if you potentially qualify for enrollment. To apply to the Eligibility List for subsidized child care services:

Child care provider selection is a parental choice, for families who meet eligibility criteria and complete the enrollment process to determine the level of subsidized support. Once approved, families will have a portion or all of their child care costs paid directly to the child care provider by Riverside County Office of Education.
