If your school and/or district is interested in creating a mentoring program and you are looking for training to guide your program efforts, including strategies, tips, program planning action steps, and more, please see below for the various components the training will cover:

- Goals, objectives and benefits of a mentoring program and the specific steps necessary to begin its implementation
- Review mentoring and its effectiveness on school connectedness and engagement
- Discuss the positive impact mentoring has on student behavior, school attendance, academics, school climate, and community
- Tips and strategies on how to organize your program
- Provide time to develop priority action items
- Share suggested guidelines for mentee/mentor interactions and activities
- Research regarding the positive outcomes of mentoring programs on school campuses

The FYSCP Team looks forward to a fun, interactive, and engaging day with you and/or your team!
