Riverside County high school art students are invited to participate in a Fine Arts exhibition by creating and submitting a work of visual art in response to the theme **IF I RAN THE WORLD**. Serious or playful, realistic or fanciful, local or global – what would you do if you ran the world? Two- and three-dimensional works are eligible to be a part of the show. Please see the submission requirements as well as tips and suggestions on creating your piece. Works will be judged by a diverse panel of practicing artists and educators. All selected students will have their artwork displayed virtually and receive a Certificate of Recognition from the Riverside County Office of Education. Award winners will participate in a professional exhibition of their works and receive award plaques.
