

THE 5TH ANNUAL
THE PALM SPRINGS YOUNG PLAYWRIGHTS FESTIVAL

The Palm Springs Young Playwrights Festival promotes and encourages creative writing-in the theatrical form-open to all students in the elementary, middle and high school level within Riverside County, California. The Festival provides a scholarship to further education in the arts, mentorship, and a public reading to young playwrights of chosen plays.

COVID-19 UPDATE

The Palm Springs Young Playwrights Festival believes that theatre survives and thrives through the art of collaboration. The thrill of gathering shared voices in one room, working toward one goal, is exhilarating. During these uncertain times, PSYPF holds on to this belief and will adapt our schedule to ensure that our young playwrights receive this experience.
