# GET YOUR STYLE ON: The Art + Fashion Connection

How is fashion influenced by artists and the work that they create? Can you re-imagine your favorite artist/artwork in a piece of clothing or ensemble? This contest is your opportunity to link the worlds of art and fashion through your creation while showing off your creativity and design prowess!

## CONTEST PARAMETERS

- Must be an outfit/ensemble that you have modified in some way(s) to create an original work of fashion.
- Clothing items should originate from a thrift or vintage shop, upcycling from one's own wardrobe, sewn or otherwise crafted from scratch.
- You may spend no more than \$25.00 on outfit materials.
- Priority is on innovation, construction, creativity and unique interpretations.
- For students in Riverside County 9th-12th grade.

## ESTEEMED JUDGES

Michael Costello, Fashion Designer  
Susan Stein, Producer, Fashion Week El Paseo  
Nicolas Delgado, Owner, The Fine Art of Design
