School Description

The Riverside County Office of Education (RCOE) Program staff, under the guidance and leadership of the RCOE Executive Director of Special Education, is committed to providing the best educational program possible for students with special needs. The staff is dedicated to ensuring that the Special Education Program, in compliance with specific Special Education Program state and federal statutes (IDEA), provides a comprehensive, continuous and community-linked, school-based program for district referred students.

Special education programs provide direct services to students who are mentally and physically challenged for 23 school districts within Riverside County. Available for students ranging in age from birth through 22 years, is a continuum of geographically regionalized programs and services. Disabling conditions served encompass the low -incidence disabilities including deaf and hard-of-hearing, visually impaired, and orthopedically disabled; developmentally delayed; emotional disturbance; multiple disabilities; intellectually disabled; and autism.

Mission Statement:

The mission of the RCOE Special Education Program is to assist students in achieving to their maximum potential.

Vision:

RCOE Special Education Unit is dedicated to assisting and supporting students to maximize academic, social/emotional and vocational skills in a safe environment, which encourages students to become responsible, contributing members of their community.

Values:

- Quality educational services for students with special needs.
- An organized instructional delivery model within guidelines of the California Curriculum Standards.
- A highly skilled and trained staff.
- A safe and orderly environment structured for learning.
- Internal/external collaboration with outside agencies, school districts, and parents.

Goals:

- Improve student achievement through the use of assessment data that informs and drives instruction.
- Increase training in research-based methodologies and strategies toward improved student achievement to include RCOE teachers, itinerants, support staff and district/agency partners.
- Develop, implement, and maintain positive behavior support.
- Facilitate collaboration between districts, parents, and agencies to address student needs at school, home, and in the community.
- Provide support to improve staff morale.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2015-16 Student Enrollment by Grade Level					
Grade Level	Number of Students

Foster Youth	3.9				

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

RCOE special education classes are located throughout Riverside county on public school sites. Several of these sites were built in collaboration with RCOE where county building funds were utilized to build a portion of the school to be used by county classes. In school sites where county owned classrooms do not exist, the county rents the space per the Riverside County SELPA agreement. All of our schools sites are clean, safe, and functional. Custodial services are provided through a variety of means. Some are contracted through private vendors, some through the district and some are directly provided by RCOE staff. Repairs and maintenance services are completed in a timely manner at all locations.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: November/December 2016

		Х				

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2015-16 CAASPP Results for All Students							
Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)							
Subject	Sch	ool	Dist	District		State	
	14-15	15-16	14-15	15-16	14-15	15-16	
ELA	3	4	38 38		44	48	
Math	5	1	25	24	34	36	

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results for All Students - Three-Year Comparison									
Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)									
Subject		School District					State		
	13-14	14-15	15-16	13-14 14-15 15-16			13-14	14-15	15-16
Science			63	6	7	40	60	56	54

Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade	2015-16 Percent of Students Meeting Fitness Standards					
Level	4 of 6	5 of 6	6 of 6			
5	4.1	4.1				
7	4	8				
9		13	8.7			

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)							
	Number o	f Students	Percent of Students				
Group	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced			
All Students	159	150	94.3	63.3			
Male	112	105	93.8	61.0			
Female	47	45	95.7	68.9			
Hispanic or Latino	112	106	94.6	61.3			
White	30	29	96.7	69.0			
Socioeconomically Disadvantaged	124	118	95.2	67.0			
English Learners	56	52	92.9	55.8			
Students with Disabilities	149	142	95.3	65.5			

Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	7	31	30	96.8	6.7			
	8	56	54	96.4	1.9			
	11	34	31	91.2				

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents have the opportunity to become involved in the following ways:

- Enrollment
- Parent/teacher conferences (formal and informal)
- IEP process
- Volunteers
- Parent Trainings
- Parent Support Groups
- School Site Council
- District Language Advisory Committee

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The RCOE school safety plan has been established and is updated annually for the county as required by California Education Code Section 35294. RCOE adopts its comprehensive school safety plan by March 1st of each school year. RCOE reports on the status of its school safety plan, including a description of its key elements.

The key elements, reviews, and updates are discussed with school faculty at the beginning of each school year and again prior to any new adoptions. The RCOE faculty and students are also included in each school sites individual school safety plan where the classes are located. The school site administrator reviews this plan with the RCOE administrator annually.

Suspensions and Expulsions

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

The 2015-2016 school year began with an all staff training the theme of "We are all Bucket Fillers." During this training the staff was provided with an update of the previous year's accomplishments followed by a guest speaker that provided encouragement for the start of the year. The afternoon session provided for review and revision of RCOE Special Education Program goals for the upcoming school year. Throughout the year staff was provided on going follow up training on our Wednesday minimum days. We provide this through job-alike, PLC, principal and regional meetings. Staff members also attended a variety of conferences and trainings sponsored by outside agencies both in and out of the State.

Career Technical Education Programs

Students in the diploma bound programs are provided the opportunity to participate in Career and Technical Education classes as electives that are provided at the school site where the County class is located. For our student in the Certificate program we provide a wide variety of career tech opportunities through Project Workability as well as in the classes they attend on a daily basis. We provide ongoing situational assessment for these students at a variety of job sites throughout the County.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at
libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length
of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print
documents.
