## 2022-2023 CLASSROOM ASSESSMENT SCORING SYSTEM (CLASS®)

The program utilizes the Classroom Assessment Scoring System (CLASS®) observation instrument that assesses the quality of teacher-child interactions in center-based preschool classrooms. CLASS® includes three domains or categories of teacher-child interactions that support children's learning and development: (1) Emotional Support, (2) Classroom Organization, and (3) Instructional Support. Within each domain are dimensions that capture more specific details about teachers' interactions with children.
