Registration now open!

HUMANIZING AI
Synergizing Human Intelligence and Artificial Intelligence

Friday, October 18, 2024
8:30 a.m. – 3:00 p.m.

Riverside County Office of Education • Conference Center
4280 Brockton Avenue • Riverside, CA 92501

Join us and explore the intersection of AI and human experiences. Engage with thought leaders through collaborative activities and sessions, highlighting AI's potential in education. How does the emergence of generative AI tools change the way we teach and learn?

This event emphasizes the crucial role of human involvement in leveraging AI for deeper learning. How can AI enhance instructional practices while promoting collaboration, creativity, communication, and critical thinking—the four Cs? Join us as we continue our thoughtful exploration of AI's role in education. Don't miss this important event!

Registration info on reverse.
