County Superintendent of Schools

Family Engagement *Leadership Lab*

When districts support families through thoughtful, equitable policies and programs, it encourages broader community engagement that can help to enrich student learning and optimize student success.

LEARNING OUTCOMES

A data-driven approach designed to support the development of family engagement strategies, policies, and programs.

Increase your capacity to support advisory committees and parent groups by creating opportunities for two-way communication, rebuilding trust, and cultivating sustained partnerships between home and school.

FOCUS AREAS

- Networking and Collaboration
- Examine Current District Processes
- Review Family Engagement Policy and Program Goals
- Measurement and Evaluation
- Cultural Competence

COST: \$100 per person
