

COMMUNITY RELATIONS

SUBJECT: Support for Outside Agencies

The Riverside County Board of Education recognizes that there are non-profit organizations and agencies which provide direct or indirect support to students and staff through educationally based programs, seminars and/or events in Riverside County.

The Riverside County Board of Education delegates authority to the Riverside County Superintendent of Schools to fund and support such organizations, both directly and indirectly, that provide direct benefits to students and staff within Riverside County when funds are available. The Riverside County Board of Education shall receive an annual update of such support and/or funding.
