

**PERSONNEL - ALL PERSONNEL**

**SUBJECT: Employment**

The County Superintendent shall establish work schedules, provisions for absences and other conditions of work in keeping with the California Education Code, policies of the governing board and provisions that may have been incorporated in collective agreements.

General employment policies regarding vacations, leaves of absence, resignation, re-employment, duties, hours and other matters related to the nature of the position are ultimately vested with the employer.

All of the rights, privileges, and duties as mandated in the Education Code beginning with Section 45100, and applicable provisions beginning with Section 44000 are hereby granted to and required of all regular employees. Determination of any benefits not specifically granted shall be made by the employer.
