

## **STUDENTS**

### **SUBJECT: Bus Conduct**

In order to help ensure the safety and well-being of students, bus drivers, and others, the County Office of Education expects students to exhibit appropriate and orderly conduct at all times when using school transportation, including while preparing to ride, riding, or leaving the bus.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

(cf. 3540 - Transportation)

(cf. 3541.2 - Transportation for Students with Disabilities)

(cf. 3543 - Transportation Safety and Emergencies)

(cf. 5131 - Conduct)

The County Superintendent of Schools or designee shall establish regulations related to student conduct on buses, bus driver authority, and the suspension of riding privileges. He/she shall make these rules available to parents/guardians, students, and other interested parties. (5 CCR 14103)

(cf. 3452 - School Bus Drivers)

Students found to be in violation of the County Office of Education's bus conduct rules shall be subject to discipline in accordance with County Office of Education policy and administrative regulation.

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

The County Superintendent or designee may deny a student the privilege of using school transportation upon the student's continued disorderly conduct or his/her persistent refusal to submit to the authority of the driver. (5 CCR 14103)

### **Bus Surveillance Systems**

The County Office of Education believes that the use of surveillance systems on school buses will help to deter misconduct and improve discipline, ensure the safety of students and bus drivers, and prevent vandalism. Therefore, surveillance systems may be installed and used on school buses to monitor student behavior while traveling to and from school and school activities.

The County Superintendent or designee shall notify students, parents/guardians, and staff that surveillance may occur on any school bus and that the contents of a recording may be a student record and, as such, may be used in student disciplinary proceedings or referred

to local law enforcement, as appropriate. In addition, a prominent notice shall be placed in each bus stating that the bus is equipped with a surveillance monitoring system.

(cf. 5125 - Student Records)
