The Riverside County Office of Education is an Equal Opportunity Affirmative Action employer. We have developed and adopted an Affirmative Action program to assure positive results, which means that discrimination in employment on the basis of race, creed, color, marital status, medical condition (cancer related), age, sex, or physical handicap is prohibited.

As an extension of this program, and in furtherance of the objectives of Equal Employment Opportunity, we invite your participation through development of hiring practices which are consistent with these objectives. The business community can make significant contributions toward attaining the goal of eliminating job discrimination, and your cooperation in that endeavor will be greatly appreciated.
